PRESENTS

HACKBIOS

WHERE IDEAS BOOT INTO REALITY

HACKATHON 3.0

BROCHURE

ABOUT HACKBIOS

The HackBIOS is proudly organized by the Shri Shankaracharya Technical Campus, Bhilai, Chhattisgarh, India.

In its previous edition, the offline hackathon witnessed overwhelming participation, accommodating over 70 teams of four members each. The event proved to be a remarkable success, leaving a lasting impression on participants and audiences alike.

The objective is to encourage young minds to explore the realm of technology, engage with the most recent innovations, and connect with vibrant tech communities.

More than a competition, HackBIOS serves as a hub of innovation, collaboration, and talent development, fostering the spirit of technology-driven growth.

Our vision for HackBIOS at Shri Shankaracharya Technical Campus is to provide a dynamic platform where students showcase technical skills, creativity, and problem-solving. The hackathon unites college students from diverse backgrounds to collaborate on innovative projects, fostering learning, teamwork, and innovation beyond the classroom.
